### Regulation Item

### Item Designation

A.1/3.2	Portable fire extinguishers
A.1/3.38	Portable fire extinguishing equipment for lifeboats and rescue boats
MED/3.52	Non-portable and transportable fire extinguishers
A.1/3.56	Fire hose reels (reel type)

This is to certify that BRE Global Limited did undertake the relevant quality assessment procedures for the equipment identified above which was found to be in compliance with the Fire Protection requirements of Marine Equipment Directive (MED) 2014/90/EU subject to any conditions in the annex attached hereto, and with the type described in the EC Type Examination Certificates (Module B) listed in the annex to this Certificate.

This Certificate is issued under the authority of the MCA under the terms stated above and remains valid for a period up to but not exceeding 5 years unless cancelled or revoked, providing the conditions in the attached annex are complied with.

Subject to compliance with the conditions in the attached annex, which forms part of this certificate, this certificate, in conjunction with the EC type examination (Module B) certificate detailed in the attached annex, authorises the manufacturer of the equipment listed to affix the mark of conformity (Wheelmark) as detailed in the annex.

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named on this certificate and/or after lapse of time, withdrawal or revocation.
